:1-5 The Tabernacle Described

- cf. Exodus 25ff
- Use slides to depict & describe

:6-14 The Tabernacle Explained

- (:9) Not even 1 man, one time each year
- (:10) Fleshly (NKJV) = *sarx*, carnal (KJV), for the body (NASB, ESV) external (NIV, NLT)
  - i.e. ≠ inward/conscience : off the hook legally, but still guilty

:15-22 The Principal Of A Will

- cf. "Last will & testament" goes into effect at (not before) death
- w/o shedding of blood there is no remission (forgiveness / pardon / release from bondage)
  - But through the death of Jesus we have exactly that: release from bondage to guilt
  - Not just legally / technically but in reality.
